A Member of Millennium Hotels and Resorts

Just off the beautiful Patong Beach, beside the chic new Jungceylon Shopping Centre, is a delightful resort that oozes unparalleled grace and style – the Millennium Resort Patong.

Its striking contemporary design sets the perfect mood for guests and is complemented by the close proximity of Patong Beach. Furthermore, the island's concentration of shops, restaurants and entertainment are all at your doorstep.

The resort consists of two wings – Lakeside and Beachside. Each wing has 224 and 197 guestrooms respectively. All rooms exude a charming resort-like ambience, with an equally appealing design which extends to each of the dining outlets.

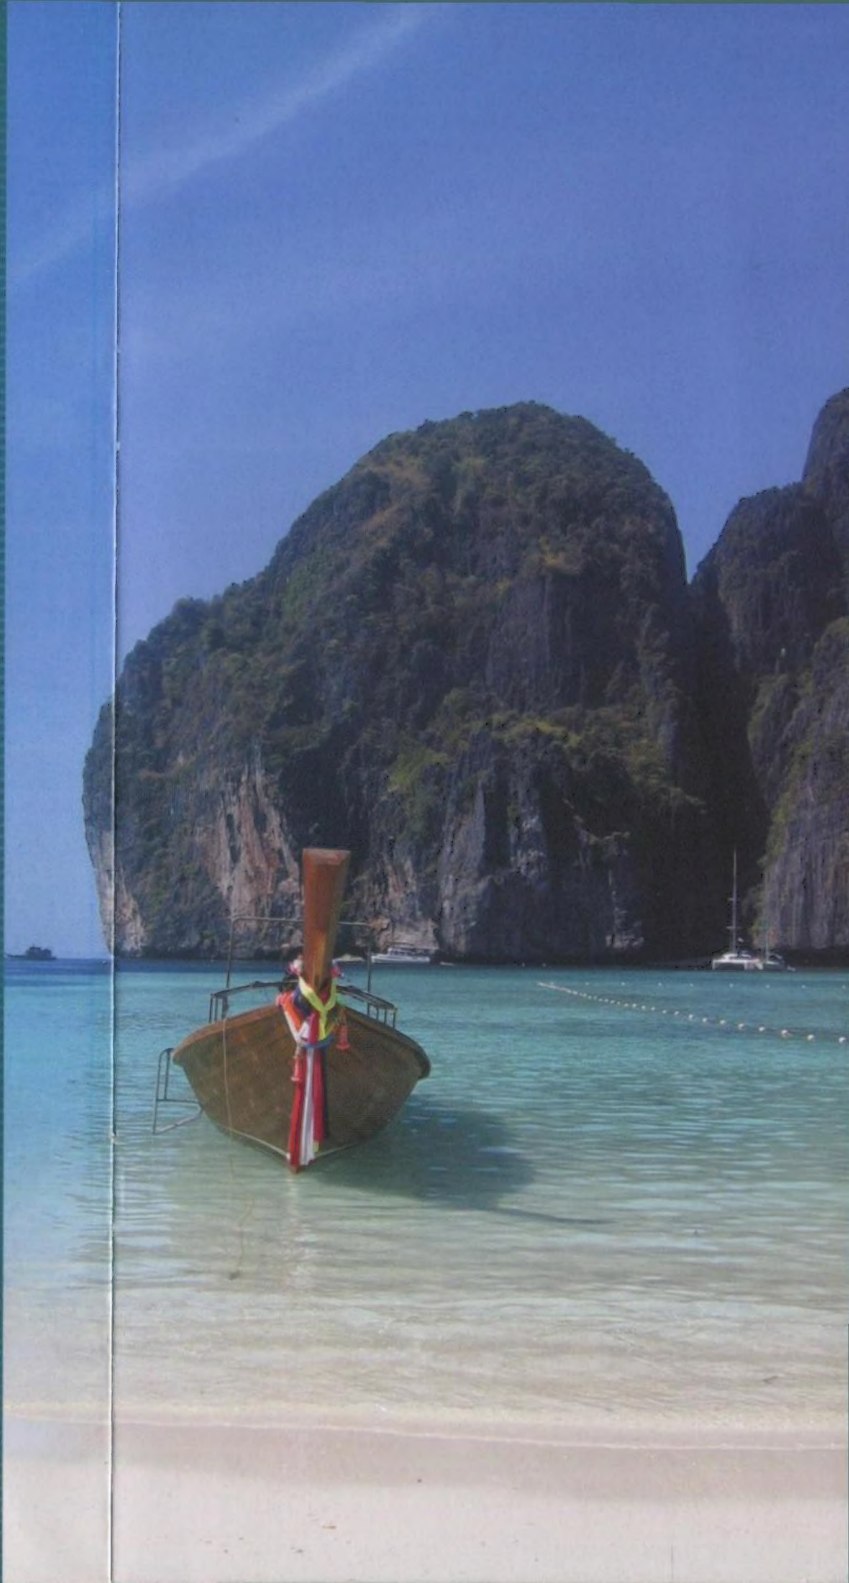

Millennium Resort Patong also houses the inviting *Escentika Spa*, a well-equipped business centre, ballrooms, various function rooms, two swimming pools and a tour desk, making it the perfect getaway destination for holiday-makers and corporate travellers alike.

ATTRACTIONS

Just a short stroll away from Millennium Resort Patong is the breathtaking Patong Beach. Indulge in an array of thrilling water sports such as parasailing, jet skiing and windsurfing. Alternatively, you can choose to explore the beautiful waters with a snorkeling or scuba diving session. If you're looking for team activities, cohesion-building options such as paintball and quad biking are also available.

Adjacent to the resort lies Jungceylon Shopping Centre, Phuket's largest and newest shopping haven. With more than 200 dining, fashion, entertainment and shopping outlets, it's definitely a venue not to be missed.

FOOD & BEVERAGE

A wide variety of tantalising dining options awaits you in both wings:

Beachside

Located on the second floor, overlooking the main driveway, is the exotic *Straits Dining Room* which offers a buffet breakfast and is open for lunch and dinner. Diners can enjoy a unique selection of Southeast Asian cuisine with dishes from Singapore, Malaysia and Indonesia's culturally diverse heritage.

Bar 8, on the ground floor of the Beachside wing, serves an international range of cocktails and juices, complemented by a vibrant ambience.

Lakeside

Located on the ground floor adjacent to the lobby area is *Bistro*, offering buffet breakfast and all-day à-la-carte dining, featuring Western and Thai specialties.

Unwind and dine in the cozy indoors of the adjoining *Lounge 98* or opt for the invigorating al fresco seating amidst a small terrace garden. The evening mood is enlivened with some of the finest cocktail creations and easy listening music.

CONFERENCE & FUNCTION ROOMS

Millennium Resort Patong makes choosing a destination for your meetings, seminars, group conferences, team-building activities or incentive trips* an absolute breeze!

A fully-equipped ballroom offers state-of-the-art audio-visual facilities and function rooms of different sizes to suit your needs. In addition, a dedicated team of seasoned banqueting and conference professionals is ever ready to provide their services to you.

All of these plus a convenient central location with proximity to local shopping and beachfront activities, making Millennium Resort Patong a popular choice with delegates.

**As a special incentive, choose an exclusive Cabana Suite, complete with private pool access and jacuzzi.*

ACCOMMODATION

All rooms are spacious and elegantly appointed with private balconies and outdoor furniture. They feature standard amenities such as a mini-fridge, safe deposit box, television with over 30 international channels, alarm clock, telephone, complete ironing setup, hairdryer and a beverage-making unit. The convenience of high-speed Internet access also comes en suite.

At Millennium Resort Patong, all guestrooms and suites in both Lakeside and Beachside wings come complete with accompanying stylish conveniences.

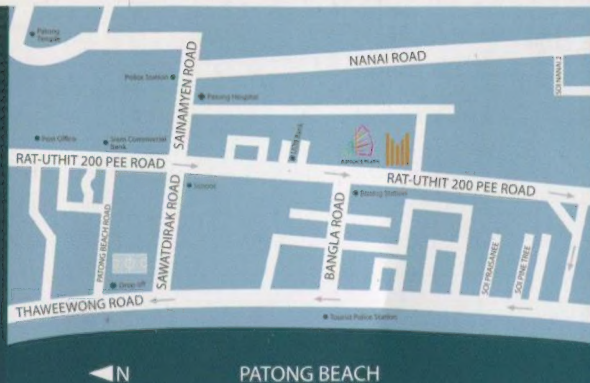

FACILITIES

Take an invigorating dip in one of the two rooftop swimming pools open to the stimulating sea breeze, or simply chill out with light refreshments at the poolside bars and restaurant. Cabana rooms at the Lakeside feature direct pool access via a patio with a private jacuzzi.

A fully-equipped gymnasium with state-of-the-art workout machines is also available for a good fitness workout.

For a pampering session, the delightful *Escentika Spa* offers a variety of rejuvenating spa, massage and grooming packages, with its nine treatment rooms and a beauty saloon.
